

HOG ROAST

We do it better...

Slow roasted on a spit for 8 hours, this succulent free-range Lincolnshire pork is first brined with apple juice and then cooked on site.

Why not add salads and potato to your hog for a more fresh and filling meal?

Salads

Proper coleslaw

Waldorf

Celeriac remoulade

Tomato, onion and balsamic

Marinated courgette

Garden salad

New potato salad

Pesto pasta salad

Why not add warm potatoes, chips or wedges?
